suppose there is a user who actively spend time on your videos and you want to show some love towards them you can simply send a diamond to them and express that you value them very much this is how the coins are working on tiktok

well tiktok coins are nothing but virtual money that you can spend to buy other virtual items such as diamonds and other resources on tiktok it's similar like we buy gems on various games like clash of clans you'll spend your real money there are free methods also to buy coins using your google play account and then you can spend those coins to buy tiktok resources you can then gift those resources to other users on tiktok as a form of appreciation or love

the tiktok coins club generator is one of the more infamous tiktok generator websites online and like all of the other websites and services that claim to give you free coins it should be avoided at all costs
