well tiktok coins are nothing but virtual money that you can spend to buy other virtual items such as diamonds and other resources on tiktok it s similar like we buy gems on various games like clash of clans you ll spend your real money there are free methods also to buy coins using your google play account and then you can spend those coins to buy tiktok resources you can then gift those resources to other users on tiktok as a form of appreciation or love

although you can t share in tiktok advertising revenue successful tiktok performers can still make money on the platform the most obvious way is by influencer marketing if you can build a sufficient following of dedicated viewers you can market yourself to brands to sell products to your audience s demographic once you have keen followers you can create and sell merchandise to them particularly if you make your name in an unusual niche rather than just lip synching you can also launch your career through tiktok

tiktok is very strict with moderating their platform and have been known to completely shut down and delete accounts that they suspect of hacking or cheating even if these tiktok coin generators systems worked they wouldn t be worth the risk
